Space Reservation Booking Forms, Shipping Labels, Packaging Guide and Dangerous Goods shipping information can be found on our website at <https://mtlmoose.ca/booking-information-2/>

All Dangerous Goods **MUST** be packaged and labelled as per TDG regulations. Proper DG Documentation (Shippers Declaration and Safety Data Sheets) must accompany all shipments. Shipments received without proper packaging, labelling or documentation may be subject to delays or possible refusal. As per TDG Regulations, we as the carrier can't complete the packaging, labelling or documentation for the customer.

Our customers are encouraged to check the Barge Sailing Schedule on a regular basis. Dates and/or Destinations are subject to change without notice, based on cargo volumes, weather conditions and tide levels.

Moosonee Transportation Ltd. will do its best to ensure your cargo is loaded onto the next available sailing, however Cargo Cut-off Acceptance Dates may be strictly adhered to based on cargo volumes. For information, please email info@mtlmoose.ca
